

LSPR Communication & Business Institute

Subject Syllabus

Subject Code : MKTC 07

Subject Title : International Marketing

Subject Specification : For students in Marketing Communication Major

Subject Overview : International Marketing is one of the courses in the Communication Study Program, especially in the concentration of Marketing Communication which covers International Marketing operations by examining issues such as product policies, pricing, marketing communications, distribution channels and marketing research. The factors governing the decision of a company to market their products or services are explored in detail. Individual and team projects form a core part of this course to enable the student to apply the theory to professional practice.

Course Objectives :

1. The students recognize the importance of International Marketing for brands that plan to go Internationally.
2. To gain a solid understanding of the theoretical and conceptual principles of International marketing
3. To understand how to develop and manage a strategic International Marketing initiative
4. Utilize basic components of the International Marketing Model, to compare and contrast various global marketing environments (politics, economics, cultural, etc.)
5. Develop skills necessary to create International Marketing strategies in products, price, promotion and distribution, and especially in marketing communication.

Course Method: The subject consists of lecturer presentations, discussions, questions and answers, course work, and paper submissions. It is expected that each student will regularly attend classes and participate in class discussions. Real world and fictitious case studies will be provided by the lecturer for the purpose of discussion. A Study Guide accompanies the subject; additional readings will be assigned to students on a per session basis.

Learning Outcome (Competence) :

Knowledge : Able to explain the International Marketing background and analyse and describe how to operate International Marketing for brands as well as key factors for a brand that will develop into an International brand.

Skill : Able to apply analytical thinking, strategic planning, presentation skill, negotiation skill, teamwork, and comprehension of International environment..

Attitude : Able to apply politeness, conscientious and sociable behavior and uphold openness and be able to accept criticism and suggestions.
