

LSPR Institute of Communication & Business Institute

Subject Syllabus

Subject Code	:	IKB 11
Subject Title	:	Community Development in Marketing Communication
Subject Specification	:	For students in Marketing Communication Major
Subject Overview	:	This course is designed to provide an introduction to the principles of Community Development Program in Marketing Communication. A conceptual framework will be developed through definitions, models, and the utilization of community development project preparation. The student will learn how to formulate community development events below the communication flag.

Community development programs are led by community members at every stage - from deciding on issues to selecting and implementing actions, and evaluation. Community development has an explicit focus on the redistribution of power to address the causes of inequality and disadvantage.

Understanding and being involved in the Community Development in Marketing Communication as the medium to give real positive contribution to the community will give the student great experiences on conducting community development programs in the future.

In this subject we will use Six Stages to Marketing Public Relations Planning that will guide students in creating a successful program and handling it properly.

Course Objectives :

1. Know and understand the importance of having empathy and giving real contribution to solve society problem with their Marketing Communication knowledge;
2. Able to create and develop community development program plan with Marketing Communication approach.
